Brand New Book ***** Print on Demand *****.Excerpt from John Hopkins University Studies in Historical and Political Science, Vol. 20: Colonial and Economic History The western frontier of Maryland advanced but little beyond the head of the tide water until the sturdy German settlers, coming down through the valleys of the Blue Ridge, settled the fertile valleys of Frederick and Washington counties. With their arrival, about the year 1735, a new and most important era opened in Maryland's history. Previously there had been no doubt concerning her alliance with the South in her economic, social and political life. This new and alien influence tended to join the province closer to Pennsylvania, and, as Western Maryland became more and more populous and as the city of Baltimore grew in commercial importance, largely through the influence of the same German settlers, there came to be a doubt in the minds of geographers whether Maryland should be called a Middle or Southern State. The life on the Western Maryland farms was far different from that on the plantations of the Chesapeake Bay, and the people of...
