

Meditation 101 A Clear and Friendly Guide for Beginners of All Persuasions

Filesize: 7.31 MB

Reviews

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).

iUniverse. Paperback. Book Condition: New. Paperback. 126 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. Back in 1968, after a friend gave me a few basic instructions on how to begin meditating, it wasnt long before I realized that I was seriously in need of more information on the subject; thus began for me a lifelong informal investigation into the planets numerous meditation traditions. Because Im a practical person (and one for whom because I said so hasnever been enough of an answer), I soon discovered that it was important for me to examine the why behind those traditionsthe physiology, psychology and purpose of sitting in meditation; its relationship between physical and mental experience; therelationship of each meditation technique to the spiritual tradition which taught it; the relationship of meditation to real life. Along the way, I encountered some remarkable teachers and writings, andevery time I found a tidbit of learning (whether from actual experience, from the words or actions of a teacher or from a specific text) which created an aha! moment of clarity and discovery for me, I made a note of it to share and compare with other meditators. What Ive put into this book is the cream of those practical suggestions, useful quotes, clarifyingmetaphors and relevant bits of scientific informationthings which have not only helped me stick to a meditation practice through thick and thin for over 30 years, but have shown me (and others) the way to real moments of understanding. This is the book I wish someone had given me all those years ago! This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
