

## Practical Arithmetic for the Use of Adults

By P Fletcher

Rarebooksclub.com, United States, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1848 Excerpt: .have under our consideration; there are notations for money, for time, for weight, and for measure. But let not the learner be disheartened; the requisite knowledge is easily acquired. By referring to the arithmetical tables at the beginning of the book, he will perceive the different notations necessary for him to use. Nor is it necessary that he should even learn them by rote; the few sums set down for practice, will be arranged as the tables are inserted in the book, and by carefully working the examples and referring to the tables, they will be sufficiently impressed upon the mind. For in this as in any other science, our object ought to be to inform the reason, and keep the memory clear of incumbrance; to thoroughly understand the theory, and to be able to apply it when necessary; and when the necessity ceases, to have...

### Reviews

*Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- *Otis Wisoky*

*This publication is great. It is full of wisdom and knowledge You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).*

-- *Dr. Everett Dicki DDS*
