This item is printed on demand - Print on Demand Neuware - Literature Review from the year 2014 in the subject Pedagogy - Common Didactics, Educational Objectives, Methods, grade: A, , language: English, abstract: This discussion focuses on impact of effective teaching strategies on the students' academic performance and learning outcome along with the researcher's own experiences. A teacher plays a vital role within a few hours in the classroom by delivering the daily specific planned content which is a part of curriculum for a specific grade. It depends on the teacher to plan it out and use effective strategies for its instructional deliverance. Teachers must have passion for learning and teaching as well as to understand needs and interests of the students. World is changing and advancing day by day, so teachers need to be technology savvies as well, in order to meet new global emerging demands. 12 pp. Englisch.
