Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, The Notebooks of Malte Laurids Brigge., Rainer Rilke, While his old furniture rots in storage, Malte Laurids Brigge lives in a cheap room in Paris, with little but a library reader's card to distinguish him from the city's untouchables. Every person he sees seems to carry their death with them, and he thinks of the deaths, and ghosts, of his aristocratic family, of which only he remains. The only novel by one of the greatest writers of poetry in German, the semi-autobiographical "Notebooks" is an uneasy, compelling and poetic book that anticipated Sartre and is full of passages of lyrical brilliance. Michael Hulse's new translation perfectly conveys the unsettling beauty of the original and is accompanied by an introduction on Rilke's life and the biographical and literary influences on the Notebooks. This edition also includes suggested further reading, a chronology and notes.
