Wordsworth Editions Ltd. Paperback. Book Condition: new. BRAND NEW, The Ragged Trousered Philanthropists, Robert Tressell, Lionel Kelly, Keith Carabine, Tony Benn, About this Wordswoth Classic: The Ragged Trousered Philanthropists is a classic representation of the impoverished and politically powerless underclass of British society in Edwardian England, ruthlessly exploited by the institutionalized corruption of their employers and the civic and religious authorities. Epic in scale, the novel charts the ruinous effects of the laissez-faire mercantilist ethics on the men, women, and children of the working classes, and through its emblematic characters, argues for a socialist politics as the only hope for a civilized and humane life for all. It is a timeless work whose political message is as relevant today as it was in Tressell's time. For this it has long been honoured by the Trade Union movement and thinkers across the political spectrum. This Wordswoth edition includes an exclusive foreword by the late Tony Benn. The Wordswoth Classics series offers over two hundred titles at prices all can afford.
