

Extraordinary Ordinary Forgiveness

By Susan Dugan

John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, Extraordinary Ordinary Forgiveness, Susan Dugan, In mid argument with a loved one, as we stand unfairly accused, we would much rather be right than happy. As practising forgiveness raises our awareness of our attraction to and identification with the ego's sneaky ways, our pain often increases. Some of these essays are reports from the eye of just that storm, accounts of my own fear, paralysis and mistaken belief in and attraction to a false, ego controlled self. But in each case, I got through by continuing to ask for help from the part of our mind that sees only our one true self and can never fail us. Today I am spending far less time in the eye of the storm and far more embracing the instant of release that reflects the real world available when we have forgiven all that would hurt us. You can, too.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
