Improbably coiffed, perma-tanned and bronze-tongued, the Donald has increasingly impinged on the world s consciousness through a string of startling pronouncements. From his preference for war heroes who have not been captured, to his references to his sleeping around in the 1980s as his personal Vietnam or this - My grandparents didn t come to America all the way from Germany to see it get taken over by immigrants - Trump s utterances are nothing if not intriguing.
