Xulon Press, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The title given to this book is pretty much descriptive of its content. This book redefines the period we call the Church Age, presenting a Biblically sound concept of Church from Genesis to The Revelation. This book is written in an informal teaching format to the student, whose heart cry is, Shucks, . I just want to understand what I am reading. This was written without theological jargons and the added complexity that comes with such. Jesus kept it simple, plain and down to earth. It causes me to smile when I think of the analogy Jesus used in reference to our gathering together to meet Him. He said, For where so ever the carcass is, there will the eagles (vultures- literally) be gathered together. (Matt. 24:28) That was a very visually descriptive example. Author Bio: I am married; I have four kids; I love Jesus and sometimes I will display the silly side of my personality. I committed my life to the Lord in 1976, began preaching in 1979; was licensed and ordained in 1980 and enjoys fellowshipping with major and minor denominations, independent organizations and all who call upon the Lord out of a pure heart.
