

Double Jinx: Poems

Filesize: 2.07 MB

Reviews

It is an awesome book that we have possibly go through. It is actually writter in straightforward words and phrases and not confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.

DOUBLE JINX: POEMS

Milkweed Editions, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book. Double Jinx follows the multiple transformations -- both figurative and literal -- that accompany adolescence and adulthood, particularly for young women. Drawing inspiration from sources as varied as Ovid's *Metamorphoses*, the rewritten fairy tales in Anne Sexton's *Transformations*, and the wild and shifting dreamscapes of Brigit Pegeen Kelly's work, these poems track speakers attempting to construct identity. A series of poems depict the character of Nancy Drew as she delves into an obsession with a doppelganger. Cinderella wakes up to a pumpkin and a tattered dress after her prince grows tired of her. A young girl obsessed with fairy tales becomes fascinated with a copy of *Grey's Anatomy* in which she finds a pink girl pinned to the page as if in vivisection. Could she / be pink inside like that? No decent girl / would go around the world like that, uncooked. The collection culminates in an understanding of the ways we construct our selves, whether it be by way of imitation, performance, and/or transformation. And it looks forward as well, for in coming to understand our identities as essentially malleable, we are liberated. Or as the author writes, we'll be our own gods now.
