

## Fistful of God

By Therese M. Travis

Pelican Book Group, United States, 2013. Paperback. Book Condition: New. 201 x 127 mm. Language: English . Brand New Book. She's never taken a drink, but she's recovering from alcoholism all the same. After the death of her father, teenager Aidyn Pierce spends all her time cleaning up her mother's messes. So when Mom announces she's getting sober, Aidyn doesn't believe her. Mom has tried before, and Aidyn knows there will come a time—a day, a week, maybe even a month from now when the cravings will be too much, and her mother will start drinking again. So, when Aidyn is encouraged to attend support meetings, she refuses. No point in wasting her time when her mother's going to drink again, anyway. But what Aidyn doesn't count on is the healing power of love and friendship, and the incredible strength of God to walk both mother and daughter through the dark valley of addiction and recovery.
