Folks in Alabama don't know whether to cheer or run when hearing the expression. Touchdown could mean that we've just won another football National Championship or it could indicate that a tornado is on the ground. I could never be a storm chaser. I'm the one the storm chases. Funnels circle around me like shark fins as I bow my head in a school hallway, kneel down in a convent, or give birth to a newborn baby wailing in unison with the tornado sirens. I huddle with toddlers in showers and beg for shelter in a McDonald's freezer. I remain a sitting duck in a second-floor apartment, and find myself in the wrong place at the wrong time while in the emergency room with storm victims. Life in the Rocket City is a thrill ride which is not for the faint of heart, this I know. So brace yourself for a front row seat on a ride through Tornado Valley! Alabama is the home of the world's deadliest twisters...
