

Contemporary Issues in Globalization: An Introduction to Theory and Policy in India

Filesize: 8.51 MB

Reviews

It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

CONTEMPORARY ISSUES IN GLOBALIZATION: AN INTRODUCTION TO THEORY AND POLICY IN INDIA

[DOWNLOAD](#)

OUP India, India, 2004. Paperback. Book Condition: New. New edition. 214 x 140 mm. Language: English . Brand New Book. Broadly, the book is about the twin phenomena of liberalization and globalization that are currently sweeping the world and the complex economic issues thrown up by them. In this text, critical issues relating to globalization are presented in a compact yet rigorous manner using the basic principles of environmental studies, international trade theory, industrial organization, and public economics. The proper role of the state in a system where neoliberalism is the driving force, the case for and against multinational corporations, the implications of exchange rate flexibility and capital mobility for macro-management, the impact of stronger IP protection on the welfare of developing countries. These are economic theory. Examples from India and other countries have been used to illustrate issues.
