Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. An Anthropologist is a social scientist who studies humanity's cultural, social, and biological differences. \* Though targeted at the young people of Saint Lucia this book presents career guidance information that may be used by anyone - the young and the old (in search of that second career) as well as anyone living outside of the Caribbean Island. \* Too many people do not know what career path to follow; or having decided on a career are not sure on how to achieve the goal. These books target all young people: those at Secondary (high) Schools as well as those in prison, at remedial school, or drop outs. A mistake in one's youth should not be a deterrent to anyone achieving their career goals. \* The intention, as with all these books is to provide information in an easy to absorb manner. \* The series speaks to the reality of funding, encourages entrepreneurship and speaks frankly to the job opportunities that exist for the chosen career. \* This is an excellent resource for the youth that is worth sharing! World Bank.
