# COMMUNICATION IN MODERN SOCIAL ORDERING

Hardback. Book Condition: New. Not Signed; Communication in Modern Social Ordering investigates the modern history of communication in relation to the thinking of the political community in the United States. By illustrating the intertwining of the technological developments in communication methods and its community-building effects, the different representations of society and their political implications are examined against the development of communication systems from the telegraph, to the telephone, to computer networks. It was the telegraph that made communication a continual...
