Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Alzheimer's disease affects about 13 percent of individuals over the age of 65 and about 50 percent of those over the age of 85. Almost 15 million Americans spend their time caring for a person with Alzheimer's dementia. If your loved one suffers from this condition or starts to show early warning signs, you are probably very worried and concerned. You want the best for your family, and would do anything to help your loved one and your family cope as best as possible through this life changing situation. You are probably wondering: - When the condition would start to impact and change your loved one's life? - How much time would it be before your loved one is no longer able to recognize you? - Is full-time care needed? Or would your loved one be able to live on their own? - Would the Alzheimer's cause your loved one to die earlier than normal? Of course you want the best for your family, and would like to help your loved one and your family cope with this life changing situation as best as possible. Alzheimer's Care can help. It will teach you everything you need to know about the signs symptoms of Alzheimer's disease, how to deal with your emotions, family life, caregiving, and more. Here are just some of the things you will discover in this book: - What are the early signs of Alzheimer's dementia? - What are the 7 stages of Alzheimer's disease? - Important safety issues in the care of Alzheimer's patients. - How to help Alzheimer's patient keep their memories for as...
