

Ordnance Survey Memoirs of Ireland: Parishes of County Armagh, 1835-38 v. 1

Filesize: 1.24 MB

Reviews

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).

The Institute of Irish Studies, United Kingdom, 2009. Paperback. Book Condition: New. 244 x 170 mm. Language: English . Brand New Book ***** Print on Demand *****.The Ordnance Survey Memoirs are a uniquely detailed source for the history of the northern half of Ireland immediately before the Great Famine. They were written in the 1830s to accompany the Ordnance Survey maps, but were not published at the time. In these new editions they act as a 19th century Domesday book and are essential to the understanding of the cultural heritage of their communities. They document the landscape and situation, buildings and antiquities, land-holdings and population, and employment and livelihood of the parishes. This volume contains the Memoirs for 5 parishes and granges in the southeast of Antrim, much of the area now known as Newtownabbey, and including Glengormley, Carnmoney, and Mallusk, a region in the immediate vicinity of Belfast which contained both rural and industrial areas.
