S3935 2010 OCLC Number: (OCLOC)671488466 Subject: Underwater drilling -- Technological innovations. Excerpt: . . . 11 Department of Energy known as the Super 999, or Ultra Deep program. It supports cutting-edge technology through a collaborative effort between DOE and industry into safe and environmentally responsible offshore and onshore oil and gas development. This program has been a success. Its contributions to deepwater drilling technologies are helping us recover energy supplies that we knew existed but were unable to access. This has returned significant benefit to taxpayers in the form of domestic jobs and affordable energy as well as increasing royalties to the fund that pays for the program in the first place. And unfortunately and despite the program's strong record of support in Congress, the Administration has repeatedly - both Administrations, Republicans and Democrats, have repeatedly called for its termination and it has also zeroed out funding for oil and gas R and D within the fossil energy program at DOE. I think this represents a clear misprioritization and I hope...
