

Blue Eagle Meets Double Trouble

By Steven E. Jones, Steven E. Jones

Blue Eagle Books. Hardback. Book Condition: new. BRAND NEW, Blue Eagle Meets Double Trouble, Steven E. Jones, Steven E. Jones, This book is suitable for ages 4 to 8 years. Peaceful Valley is a haven where the critters generally roam freely. The tranquility is disrupted when Blue Eagle departs to his brother's land and twin coyotes, Clem and Clod - bent on taking advantage of the creatures - charge into the valley. In the absence of their protector, the animals quickly try to figure out how to deal with the wily twosome on their own. Pete Rabbit takes the lead in organising the troops, advising them to fly away, get up in a tree, or hide wherever they can. Thinking that the critters would be easy prey, Clem and Clod are surprised to find that they've met their match when the unlikely trio of Toby the turtle, Arny the armadillo, and Laverne the skunk mount their offensive. Written in a fun-to-read-aloud rhythm, this tale will help children learn about teamwork, determination, and taking pride in their own uniqueness.

Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
