Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

Excerpt: . . . to about 2, 500, and in some exceptional cases to even more. The conditions under which work is done are, in general, not so good as in public libraries, especially as regards space. Hours vary, 9 to 6 with an hour for lunch and a half-holiday on Saturday being the most usual. Vacations last two weeks. The health and comfort of members of the staff are well looked after. The value of associations and opportunities for growth were touched upon. In considering opportunities for growth and advancement the issue is squarely up to the individual librarian. If her ability and capacity for growth be taken for granted, it would seem that her opportunities were greater in the business world, where she has scope for individual initiative. The results are all that are required of her. The demands of business life quicken the perceptions and open the mind in a way that is in itself its own reward. Her work brings her in close touch with the administrative side of the firms work. This fosters a close and stimulating association with men who are doing and thinking things of vast importance, not only to the business world, but often to the nation itself. Business is not the hard, forbidding, sordid structure that some may imagine. It is full of human interest and swayed by the same currents of thought and imagination that move the rest of the world. Miss Burns spoke of the enthusiasm shown...
