Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

The most eventful year of modern times in the life of the Chinese people has just passed into history. They have escaped from the despotism of a corrupt monarchy to the freedom of a Republic. The problems which now confront them are the recognition of their government as a Republic by foreign nations, and the adjustment of their finances. Unless these are arranged to the satisfaction of a powerful syndicate of bankers, backed by the diplomats of their various countries, it has been intimated that the partitioning of the country may be apprehended as a probable eventuality. It might have been hoped that the carnival of territorial lust, which for centuries caused untold bloodshed the world over, had culminated in the partitioning of Africa - the last of the continents to be parceled off by the worlds looters, who in the division of the spoils, followed, as the robber barons of feudal times, The good old rule, the simple plan, That they should take who have the power, And they should keep who can. But look at China to-day - that grand old country, with its great wall which for over twenty centuries protected it from the hordes of Tartars and Mongols on the North, while its Thibetan ranges on the West, and impenetrable forests on the South, permitted it to live in peace and tranquility thousands of...
