

## ATM: Solutions for Enterprise Internetworking (Data Communications and Networ.

---

By David; Ginsburg

Addison Wesley, 1998. Gebundene Ausgabe. Book Condition: Neu. Neu Schnelle Lieferung, Kartonverpackung. Abzugsfähige Rechnung. Bei Mehrfachbestellung werden die Versandkosten anteilig erstattet. - The second edition of ATM Networks has been revised to focus on the substantial changes in ATM technology that have occurred over the past two years, and also to include new implementation experience that has been gained as ATM services and deployments have matured. The book focuses on the practical aspects of ATM and is still the only book focusing on implementing ATM by providing actual examples. It describes current ATM standards and methods of supporting higher level services and provides practical guidance on how to build an ATM network. 672 pp. Deutsch.

### Reviews

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*

-- **Prof. Kirk Cruickshank DDS**

*This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better than never. I found out this book from my dad and i encouraged this pdf to find out.*
