Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Ethan Miller (AKA Person) is back in Minecraft, but this time around he has friends. It's just too bad that he thinks he's not good enough at playing the game to ask a few simple questions and save himself a world of grief. Instead, Ethan decides that he's going to destroy a dungeon full of skeletons all on his own. Of course, that means that he's going to die a lot. But he will discover quite a bit more about the game in the process. Join him as he fights skeletons, mines for resources, gets blown to pieces by gangs of angry creepers, accidentally angers a witch, tames a few pets and finally finds some diamonds. By the time his adventure is over, he might even be good enough to not be called a noob anymore. With charming illustrations and creative storytelling, Diary of a Wimpy Person: The Skeleton Menace! is a must-read for any kid who loves Minecraft. Kids ages 7-14 (even reluctant readers) can't wait to dig in to these Minecraft adventures!.
