The General is drawn into the underworld and becomes a paid assassin, not just any assassin, but a highly professional and precise expert. His reputation for detail and effectiveness spreads as one 'termination' leads to another. The pace is fast, and furious. The General finds Donna, the partner of his life but she holds a secret. Unknown to The General, evil forces are at work and when he investigates her death, he finds himself faced with an opportunity he cannot refuse, but he does not get mad, he gets even.
